Forecast For Wales
Issued by Met Office Exeter
at 1600 on Sunday 14 Feb 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Dry in the morning, rain for later on Monday.

This Evening and Tonight:
A wet start to the night with prolonged rain, heavy at times through the evening. Rain moving eastwards and clearing up during the night with winds easing somewhat allowing it to turn misty with patchy fog. Minimum temperature 8 deg C (46 deg F).

Monday:
A murky start for many, then dry and mostly cloudy but with sunny intervals. Outbreaks of rain arriving from the south overnight spreading across the country. Winds strengthening, feeling mild. Maximum temperature 13 deg C (55 deg F).

Outlook for Tuesday to Thursday:
Bright or sunny spells and blustery showers on Tuesday and Wednesday. Heavy rain overnight into Thursday, this clearing to sunshine and scattered showers. Windy throughout.
